STATEMENT OF SUBSTANCE OF INTERVIEW UNDER 37 C.F.R. §1.133

The Applicant wishes to thank Examiner Qazi for the courtesy of the telephonic examiner interview conducted on November 15, 2004 with the undersigned. The remarks set forth in the Interview Summary Form that accompanied the Office Action dated November 26, 2004 are consistent with the substance of that interview and are believed to address the outstanding issues as discussed during the interview. Permission was granted by the undersigned during the interview to amend the claims so that new claim 9 (original claim 10) depends on new claim 1 (original claim 25). This amendment was necessary because claim 10 was dependent on claim 1, which was canceled.

Respectfully submitted,
